

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **People of MI v Daniel Leroy Sanders**

Docket No. **284764**

L.C. No. **87-001671-FY**

Henry William Saad, Chief Judge, acting under MCR 7.203(F)(1) and 7.216(A)(10), orders:

The delayed application for leave to appeal filed on April 15, 2008, is DISMISSED for lack of jurisdiction because it was not filed within 12 months of the April 12, 2007, order denying the motion for relief from judgment as required by MCR 7.205(F)(3). An application for leave to appeal is filed only when the Clerk of the Court receives it. See *Walker-Bey v Department of Corrections*, 222 Mich App 605, 610 (2008). The Court of Appeals could not receive the filing at the Woodward Avenue address because it moved from those offices in 2001.
